Piti Bomb Holes Marine Preserve Pride Campaign

Come and meet Jane Dia, Piti Pride Campaign Manager with the Division of Aquatic and Wildlife Resources (DAWR)! The "Piti Pride Tepungan Wide" campaign helped establish an active hotline for residents to provide information about activities within marine preserves. One campaign finding was the major increase of nearly 80% of surveyed fishers indicated they now consider participating in Marine Protected Area activities (from 8 to 86%)! Learn about the campaign, its impacts, and where "Piti Pride" will go next!
