FOR IMMEDIATE RELEASE

## **2020 Special Deer Hunting Season**

April 03, 2020, Mangilao---- Governor Leon Guerrero understands that food security is a concern for all of us. To help families find solutions, she has instructed the Department of Agriculture's Division of Aquatic and Wildlife Resources to **extend the current deer hunting season** from April 1, 2020 to September 30, 2020 with **no additional costs to hunters**.

Hunting is permitted on Government of Guam properties as well as private property, with the landowner's written permission.

A current FY 2020 hunting license is required. Only those currently licensed will be authorized to hunt. To limit public interactions, no new hunting licenses will be sold.

Hunters will not be required to use deer tags. The regulation will be suspended for this season in order to ease the financial obligation of paying for tags.

**ALL SOCIAL DISTANCING MEASURES MUST BE FOLLOWED. Hunting groups should be limited in size to a maximum of three people, from within the same household or family unit, in compliance with Executive Order 2020-09. During hunting outings, wear personal protective equipment to keep yourself safe. Keep a distance of six feet or more between yourself and anyone else.**
