

DEPARTMENT OF AGRICULTURE ANIMAL HEALTH

163 Dairy Rd., Mangilao, GU 96913
(671) 300-7966/ 64

Hafa Adai!

Thank you for your inquiry about importing dogs and cats into Guam. Guam is rabies-free and our quarantine law is designed to protect residents and pets from devastating problems associated with the spread of rabies.

CONTACT US

-  (671) 300-7964/66
-  163 Dairy Road, Mangilao, Guam 96913

We look forward to receiving your documents to process your pet's entry permit. In the meantime, if you have any further questions, please feel free to reach out to our office.

Please be aware that all live animals coming into Guam, regardless of category,

REQUIRES AN ENTRY PERMIT.

Pet owners bringing in a pet without a valid entry permit are subject to fees and penalties under 10GCA § 34306.

FAQ

When and how do I submit my documents?

All pet entry documents can be submitted digitally to quarantine@doag.guam.gov if you have them available. We recommend submitting your documents 2-3 months prior to arrival for review.
