

The **Guam Coastal Fisheries Management Plan** draft is available for community review.

This plan was **shaped by your input** – and we want to hear from you again.

Read the draft & submit your feedback (before July 21st) via the QR code:

UNIVERSITY OF GUAM
CENTER FOR ISLAND SUSTAINABILITY

Call (671) 482 2749 / (671) 735 0286 for **verbal** feedback or visit Dept. of Agriculture in Mangilao for **in-person**, written feedback!
